

## Pop music releases in May 2020

Like everyone around the world, pop stars are trapped in their residences for the foreseeable future. They are finding creative ways to create music videos and engage with their fans. Take a look at these three new releases in May during Quarantine times.

**Longtime friends Justin Bieber and Ariana Grande have released their first collaboration 'Stuck with You';**

**The Jonas Brothers and Karol G release the official video for their new song 'X';**

**Katy Perry performs her new song 'Daisies' for the first time, using a 'brand new technology' to create unreal backdrops**

Hope you enjoy these videos!
